

GOVERNMENT FURNISHED PROPERTY
Project Execution and Integration (PEI) Services
DE-SO26-08000662

The initial Government Furnished Property list will be developed once the actual office assignments have been finalized, after award. For proposal purposes, each potential offeror should assume that for all the office space identified in the solicitation that the Government will provide standard office type equipment to include:

Computer Workstation
Monitor
Calculator (if required)
Telephone
Furniture

Therefore, for the purposes of the Project Execution and Integration Services solicitation the total equipment list would consist of the above items for the office spaces for 15 FTEs at the Pittsburgh, Pennsylvania, site, 15 FTEs at the Morgantown, West Virginia, and 4 FTEs at the Tulsa, Oklahoma site
