

Foreign National Visitor Notice

NETL supports an active program of unclassified visits and assignments by foreign nationals for the benefit of its programs. The program is essential to ensure that these visits and assignments are conducted under prescribed conditions in a manner consistent with programmatic, U.S. and DOE national security policies, requirements, and objectives, including export control laws and regulations.

For the purposes of DOE Policy 142.1 and DOE Notice 142.1, a foreign national is any person who is not a U.S. Citizen and includes permanent resident aliens. Non U.S. citizens wishing to attend this meeting must submit a Foreign National Visitor's Form (NETL F142.1) by **June 20, 2008**. Any forms submitted to NETL after June 20, 2008 will be submitted for review with an understanding that approval to participate at this event may not be granted. If approval is not granted, the foreign national attendee will not be permitted to attend. There are no exceptions. It is the responsibility of any foreign national planning to attend this event to coordinate with NETL Event Management.

Please submit the NETL Foreign National Visitor Form F142.1 as soon as possible to NETL Event Management, who will coordinate the process. Fax or mail to:
