

The National Energy Technology Laboratory (NETL) will be hosting a Pre-Application Webcast for the US Department of Energy's (DOE) Industrial Carbon Capture and Sequestration (ICCS) solicitation. The webcast will be held on Monday, July 6, 2009 at 12:30-3:30 PM Eastern Time. The purpose of the Webcast is to answer questions from organizations currently in the process of writing applications in response to the ICCS Funding Opportunity Announcement (FOA). ICCS Applications are due to NETL on August 7, 2009.

The visual portion of the webcast will be accessed through an internet connection and the audio portion will be accessed through a telephone conference call. Questions may be submitted by email at ICCS.questions@netl.doe.gov or by phone during the webcast.

For general questions regarding the CCPI webcast, please contact Brittley Robbins at 412-386-5430.
