

Project Fact Sheet

Project Information

Project ID	FWP-42C1-07
Project Title	Coal Bed Methane Ongoing Research Summary
FE Program	Gas/Oil - Environmental Protection
Research Type	To Be Provided
Funding Memorandum	Field Office Work Agreement

Project Performer

Performer Type	DOE/National Laboratory
Performer	Idaho National Engineering and Environmental Laboratory (INEEL) P.O. Box 1625 850 Energy Drive Bechtel BWXT Idaho, LLC

Project Team Members

Project Location

City	Idaho Falls
State	Idaho
Zip Code	83415-1563
Congressional District	02
Responsible FE Site	NETL

Project Point of Contact

Name	Beller, John
Telephone	(208) 526-1205
Fax Number	
Email Address	

Fossil Energy Point of Contact

Name	Sutterfield, F. Dexter
Telephone	(918) 699-2039
Location	NETL
Email Address	dexter.sutterfield@netl.doe.gov

Project Dates

Start Date	09/04/2002
End Date	09/03/2003

Contract Specialist

Name	N/A - do not edit, N/A - do not edit N/A - do not edit
Telephone	

Cost & Funding Information

Total Est. Cost	\$15,000
DOE Share	\$15,000
Non DOE Share	\$0

Project Description

Provide the DOE and the BLM with a report on the status of ongoing research related to the development of coal bed methane reserves in the western states.
