

U.S. Department of Energy  
Energy Efficiency  
and Renewable Energy

# **Clean Communities of WNY Recent Accomplishments & Future Goals**

**Steve Carr, Coordinator**

**Bill Pauly, Coordinator**

**2009 Clean Cities Eastern States Coordinator Peer Exchange**

**Pittsburgh, PA**

**June 23-25, 2009**

## Coalition Status and Sustainability

- Current Status
  - Currently working on a part time basis, 20 hrs/wk
- Membership Structure / Strategies
  - Reaching out to original members to have them re-sign.
  - Increasing outreach to community and government.
- Steps to Become Self-Sustaining
  - Begin charging membership fee
  - Charge Management fee for successfully funded projects
  - Reach out to NYSERDA and local government.

## Significant/Noteworthy Projects & Activities

- Participated in NYSERDA DOE/CC application
- Educating Congressman Higgins
- Buffalo Zoo outreach event
- Participated in GRCC Hybrid event

## Lessons Learned

- Great need to re-educate WNY on CC program
- Need to work closely with our founder, Bill Pauly
- Establishing working relationship with  
NYSERDA

## Goals for 2009 & Beyond

- Update of website
- Update and re-establish quarterly board meetings
- Create business/operations plan for 2009/2010
