What is Clean Cities University?

Coordinator training that includes:

- Webinars
- Workshops
- Online courses

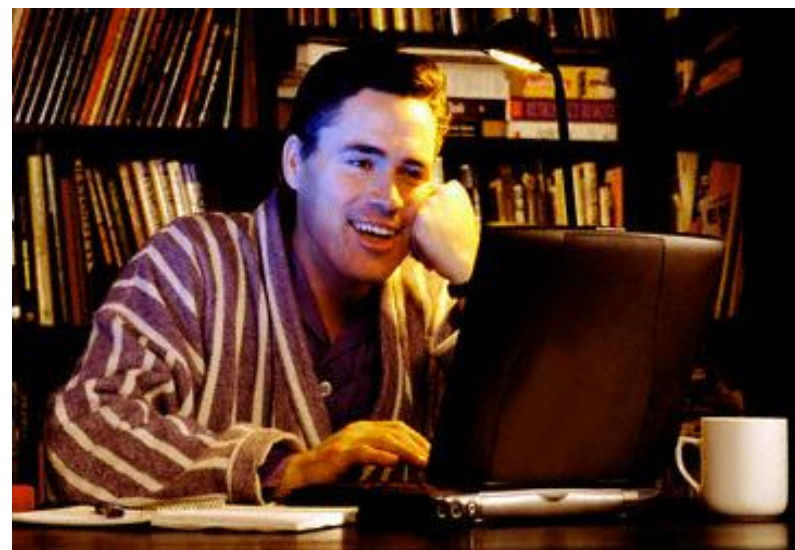

Online Courses

Free, flexible, and convenient

- No travel involved
- You choose the time and duration
- *You can take them in your pajamas!*

Online Courses

- Focused
- Twenty- to 30-minutes long
- Divided into bite-sized sections
 - Contain video demonstrations
 - End with quiz questions
- Eligible for full and partial professional development hours (PDHs)

Online Courses

CCU courses fall into three education tracks:

- Clean Cities e-Tools
- Coordinator Professional Development
- Vehicle and Fuel Technologies

Example Courses

Clean Cities e-Tools	Coordinator Professional Development	Vehicle and Fuel Technologies
<p data-bbox="121 589 739 686">Using the Petroleum Reduction Planning Tool</p> <p data-bbox="121 761 848 858">Using the Alternative Fueling Station Locator/Mobile Locator</p> <p data-bbox="121 932 842 1029">Using the Data, Analysis, and Trends Section</p> <p data-bbox="121 1103 617 1146">Using the TransAtlas Tool</p> <p data-bbox="121 1220 674 1263">Using the Find a Car Section</p>	<p data-bbox="905 589 1224 632">Coordinator 101</p> <p data-bbox="905 686 1451 783">Completing the Clean Cities Annual Survey</p> <p data-bbox="905 838 1276 935">Giving an Engaging Presentation</p> <p data-bbox="905 1009 1377 1052">Writing Grant Proposals</p> <p data-bbox="905 1126 1430 1223">Assembling a Press Kit and Writing Releases</p>	<p data-bbox="1514 589 1927 632">Using the GREET Tool</p> <p data-bbox="1514 706 1927 749">Ethanol Supply Chain</p> <p data-bbox="1514 823 1990 866">Natural Gas Conversions</p> <p data-bbox="1514 941 1829 983">FFV Conversions</p> <p data-bbox="1514 1058 1997 1100">Sustainability of Biofuels</p>

Requirements

- Coordinators will be required to take a certain number of courses each year
 - The number will initially be minimal but could ramp up with course availability
- Experienced coordinators have flexibility to choose courses that apply to you
- New coordinators will have to take specific courses

Benefits

- Technical expertise
- Professional confidence and efficiency
- Common program vernacular
- Full understanding of Clean Cities tools
- Advanced status in the program

Course Schedule

- CCU will launch in October 2009
 - Ten to 12 classes will be available
- Expect to add 12 new courses per year
 - Six per contract reporting period

Course Availability

- Live on an LMS accessible through the new Coordinator Toolbox Training page
 - Documents and tracks CCU course progress
 - Notifies students about course deadlines
 - Lets us know when you complete a course
- Student accounts
 - You will be provided with usernames/passwords
 - You can change your passwords when you log in

We need your help!

- Beta testing
- Your ideas

UNIVERSITY

e-Learning

Welcome to Clean Cities University, the U.S. Department of Energy's online training center for coordinators, stakeholders, and industry. The goal of this e-Learning program is to provide you with knowledge and expertise you need to reduce petroleum consumption in your coalitions, operations, and communities.
