Co-Chair Election

- Co-chairs must serve at least one year as an elected Council member prior to being elected as a co-chair.
- Co-chairs serve a one-year term that begins the date they are elected. Co-chairs are permitted to participate as a member of the team they chaired after their one-year term ends until the team decides it no longer needs the guidance of the Co-chair.
- Co-Chairs can be elected for another term.
- Coordinator Council Members do the initial nominations.
- Coordinator Nominees are given the chance to turn down the nomination.

Each year at the Clean Cities Leadership Retreat:

- All coordinators vote on working team Co-Chairs.
