2008 Annual Survey

- 110 Stakeholders
- 2,953 Vehicles
- Total GGEs Displaced =
5,552,907

2009 Annual Survey

- 50 Stakeholders
- 2,525 Vehicles
- Total GGEs Displaced =
5,311,767

Note:

Vehicle numbers reported in 2009 include carryover from 2008, with adjustments to reflect actual reporting in 2009.

Golden Empire Transit, Bakersfield, California

Added 27 CNG buses to the fleet

GET used the opportunity to re-brand the agency: new logo, new color scheme carried through to website, brochures, buses, signage, bus stops

Sometimes you just have to be content with average outcomes and look for unexpected gifts.

It is a **Great** thing to celebrate the success of individual stakeholders, like GET.

Plan, carry out, evaluate, adjust. Add inspiration. Repeat.

“Things turn out best for those who make the best of the way things turn out.”

--Coach John Wooden

Q: On a scale of 1-10 (1 being the worst, 10 being the best), how do you rate the effectiveness of your coalition?

A: **6+**

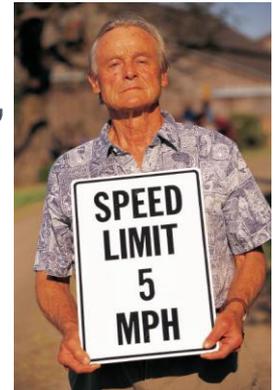

Q: How do you rate your effectiveness as a coordinator?

A1: Do you mean as a volunteer PT coordinator with new FT work responsibilities? **8** Do you mean compared to when I was a paid, PT coordinator? **6+**

A2: Our coalition is always working toward improvement – watch us in the next 12 months....good things!

Q: In what areas does your coalition need the most assistance?

A: Help working with Federal Fleets (outside of National Parks) would be welcome.

- Describe what you'd like your coalition to accomplish in 2010 and beyond
- Externally – meet our AFV deployment growth goals to support a reduction in our national dependency on foreign oil, demonstrate successful vehicle technologies, improve local air quality and reduce greenhouse gases
- Internally to make changes to help us reach our goals
 - Executive Committee strengthened
 - Coordinator position changed to allow faster, in-depth responsiveness to opportunities presented and to create opportunities for our stakeholders
 - Consistency throughout workgroups and programs
