

## 7. LIST OF PREPARERS

### DOE/NETL

Mark McKoy – DOE NEPA Document Manager

J.D., Law

M.S., Geology

B.S., Geology

20+ years experience in environmental sciences, geology, natural gas reservoir simulation, and geotechnical engineering; 15 years as a Registered Professional Geologist.

Roy Spears – DOE NEPA Document Manager

M.S., Environmental and Physical Science

B.S., Biology

40 years experience in environmental and biological sciences, hydrology, geology, environmental engineering, and regulatory compliance.

### Potomac-Hudson Engineering, Inc.

Frederick J. Carey, P.E. – Project Manager

M.S., Environmental Engineering

B.S., Civil Engineering

14 years of experience with NEPA documentation and analysis on projects for federal agencies.

Cynthia Ong – Deputy Project Manager

M.S., Environmental Science

B.S., Civil Engineering

5 years of experience in general civil site design work and technical and writing support for DOE NEPA documentation.

Maria de la Paz Aviles – Staff Engineer/GIS

B.S., Biological Resources Engineering

4 years of experience in environmental compliance auditing and documentation and CAD and GIS support for DOE NEPA documentation.

Austina Casey – Environmental Scientist

M.S., Environmental Science

B.S., Chemistry

15 years of experience in the application of environmental policy, regulatory compliance, and air quality analysis for NEPA documentation.

A. Brook Crossan, Ph.D., P.E. – Senior Environmental Engineer

Ph.D., Geophysical Fluid Dynamics

M.S., Mechanical Engineering

B.S., Mechanical Engineering

35 years of experience with NEPA documentation and analysis on projects for federal agencies.

Ray Bowman, P.G. – Senior Environmental Scientist

M.B.A., Management

M.S., Geology

B.S., Geological Science

21 years of experience in geologic and hydrogeologic investigations, and NEPA support for federal agencies.

Rich Cunningham – Senior Planner

M.S., Urban & Regional Planning

M.S., Political Science

B.S., Political Science

35 years of experience in the application of environmental policy, regulatory compliance and NEPA documentation for the Department of Energy and other federal agencies.

Edward S. Custer, Jr., Ph.D., P.G. - Registered Professional Geologist

Ph.D., Geology

M.S., Geology

B.S., Geology

27 years of experience performing geologic and hydrogeologic investigations in the United States and India, including coal reserve studies; coal mine evaluations; roof and floor evaluations for underground coal mines; design and supervision of coal exploration programs; hydrogeologic investigations for coal mines; geologic and hydrogeologic evaluations for solid waste facilities; coal, oil, and gas property evaluations; and coal mine fire studies.

Robert J. Fares - Senior Risk Assessor

B.A., Biology

21 years of experience in assessing multimedia exposures and associated risks for chemicals in the vicinity of hazardous waste sites, released from point sources (e.g., stacks, outfalls), contaminants released as nonpoint sources (e.g., vertical and lateral movement of pesticides resulting from different agricultural techniques), and chemicals released from commercially available products and furnishings during use by consumers.

Joseph A. Grieshaber – Senior Environmental Scientist

M.B.A., Finance

M.S., Biology

B.S., Biology

32 years of experience, including 16 years of environmental management, NEPA documentation, and analysis on projects for federal agencies.

Robin Griffin – Environmental Scientist

M.S., Environmental Management

B.A., English Composition

13 years of environmental compliance experience, including NEPA documentation and analysis on projects for federal agencies.

Selam Hagos – Staff Engineer  
Certified Water Surface Profiles Modeler/HEC-RAS  
M.S., Environmental Engineering  
B.S., Civil Engineering  
5 years of engineering experience in general technical and writing support for NEPA documentation and civil engineering design.

Lisa Lambrecht – Staff Engineer  
M.B.A., Finance  
B.S., Chemical Engineering  
16 years of experience in environmental and technical consulting in both manufacturing and government areas, including authoring sections in NEPA documentation.

Alistair Leslie, Ph.D. – Senior Environmental Scientist  
Ph.D., Chemistry  
B.A., Physics and Chemistry  
30 years of experience in NEPA analysis, environmental regulation and compliance, electric-power generation and transmission, energy analysis, air pollution analysis, air quality legislation and atmospheric chemistry research.

Nancy A. Makofka – Senior Environmental Scientist  
B.A., Zoology  
20 years of experience with wetland delineations, endangered species surveys, aquatic sampling & NEPA documentation and analysis on projects for federal agencies.

Jamie Martin-McNaughton – Environmental Scientist  
B.S., Geology-Biology  
5 years of geological field work experience, figure generation and document production.

Nathan McMillan – Staff Scientist  
B.S., Biological Sciences  
5 years of experience in performing noise monitoring and modeling, and conducting wetland and ecological studies in the coastal plain, including vegetative sampling and taxonomic identification.

Nancy Neuman, Ph.D. - QEP, Principal Environmental Analyst  
Ph.D., Geography  
M.C.R.P., City and Regional Planning  
B.S., Urban Affairs  
29 years of experience in field work, modeling and analysis for air quality and noise studies, including expert witness testimony, for environmental assessment and impact statements for developers and government agencies.

Dorothy Peterson, P.E. – Senior Environmental Engineer  
M.S., Engineering Management  
B.S., Engineering  
14 years of environmental experience in the areas of site remediation, pollution prevention, environmental planning, community relations, GIS and authoring NEPA documents.

Samir Qadir – Environmental Scientist  
M.S., Environmental Policy  
B.S., Engineering  
3 years of experience with environmental analysis, research and writing.

J. Michael Rivera –Wetland Ecologist  
B.S., Environmental Planning and Analysis  
B.S., Earth Science  
13 years of experience providing natural resources and related environmental support.

Christopher Rua – Staff Scientist  
B.S., Environmental Studies  
6 years of experience in conducting wetland studies including vegetative sampling and taxonomic identification.

Eva Santorini – Graphic Designer  
B.A., Fine Art, Painting  
13 years of experience in publication production including the design, layout, and production of books and publications, a wide variety of marketing and promotional materials, and public outreach/educational materials and websites.

Brian M. Whipple, P.E. – Senior Engineer  
M.S., Information Technology  
B.S., Environmental Engineering  
13 years of experience in hydrogeological analysis, site characterization, and NEPA documentation and analysis on projects for federal agencies.

**Disclosure Statement**  
Environmental Impact Statement  
Western Greenbrier Co-Production Demonstration Project  
DOE / EIS-0361

CEQ Regulations at 40CFR 1506.5(c), which have been adopted by the DOE (10CFR 1021), require contractors who will prepare an EIS to execute a disclosure specifying that they have no financial or other interest in the outcome of the project. The term "financial interest or other interest in the outcome of the project" for the purposes of this disclosure is defined in the March 23, 1981, guidance "Forty Most Asked Questions Concerning CEQ's National Environmental Policy Act Regulations," 46 FR 18026-18038 at question 17a and b.

"Financial interest or other interest in the outcome of the project" includes "any financial benefit such as a promise of future construction or design work in the project, as well as indirect benefits the contractor is aware of (e.g., if the project would aid proposals sponsored by the firm's other clients)." See 46 FR 18026-18031.

In accordance with these requirements, the entity signing below hereby certify as follows: (check either (a) or (b) and list items being disclosed if (b) is checked).

Financial Interest:

- (a)          Has no past, present, or currently planned financial interest in the outcome of the project.
- (b)     Has the following financial interest in the outcome of the project and hereby agree to mitigate to the extent necessary to preclude a conflict prior to award of this contract:
  - 1.
  - 2.
  - 3.

Contractual Interest:

- (a)          Has no past, present, or currently planned contractual interest in the outcome of the project.
- (b)     Has the following contractual interest in the outcome of the project and hereby agree to mitigate to the extent necessary to preclude a conflict prior to award of this contract:
  - 1.
  - 2.
  - 3.

Organizational Interest:

- (a)     X     Has no past, present, or currently planned organizational interest in the outcome of the project.
- (b)             Has the following organizational interest in the outcome of the project and hereby agree to mitigate to the extent necessary to preclude a conflict prior to award of this contract:
  - 1.
  - 2.
  - 3.

Other Interest:

- (a)     X     Has no past, present, or currently planned other interest in the outcome of the project.
- (b)             Has the following other interest in the outcome of the project and hereby agree to mitigate to the extent necessary to preclude a conflict prior to award of this contract:
  - 1.
  - 2.
  - 3.
