

Save the Earth!

Use less energy! Preserve the Earth!

If we don't help save the Earth, we will run out of fuel and Global Warming will start. If we do the three R's - Reduce, Reuse, and Recycle, we can turn Earth back to its "original" state and everyone would be happy.

Save energy so it won't cost you

Aether

Keep our animals safe!

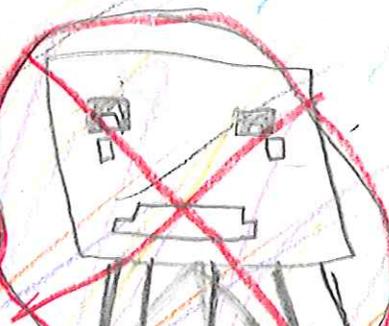

Earth

Keep our eyes safe

Nether

The End

Minecraft is a beautiful world!
Please don't pollute it!

make everyday
earth day!
