

Potentially Duplicative Funding

Minnesota Power and the project team members have no other active awards of federal funds. Minnesota Power has an application submitted to DE-FOA-0002867, but the project in that application is a unique, scientifically distinct project with no overlap of activities to this HVDC Terminal Expansion Capability (HTEC) Project.

Authorized Representative:

A handwritten signature in dark ink, appearing to read "Allan Rudeck, Jr.", written over a horizontal line.

Allan Rudeck, Jr.

ALLETE Safety and External Affairs Officer
