

9 LIST OF PREPARERS

9.1 U.S. DEPARTMENT OF ENERGY – NATIONAL ENERGY TECHNOLOGY LABORATORY

Mark W. Lusk – NEPA Document Manager

Michael McMillian, P.E. – Project Manager

9.2 POTOMAC-HUDSON ENGINEERING, INC.

Brian Whipple, P.E. – Project Manager

M.S., Information Systems

B.S., Environmental Engineering

17 years of experience in environmental consulting and management, ranging from NEPA environmental impact statements to complex site assessments and remediation engineering projects.

Frederick J. Carey, P.E. – Principal in Charge

M.S., Environmental Engineering

B.S., Civil Engineering

18 years of experience with NEPA documentation and analysis on projects for federal agencies.

Joseph A. Grieshaber – QA/QC

M.B.A., Finance

M.S., Biology

B.S., Biology

35 years of experience, including 21 years of environmental management, NEPA documentation, and analysis on projects for federal agencies.

Anthony Becker – Environmental Scientist

M.S., Biology

B.S., Biology

5 years of experience in NEPA documentation and analysis and ecological investigations on projects for federal agencies.

Teresa Beltran – Executive Assistant

15 years of administrative experience.

A. Brook Crossan, Ph.D., P.E. – Senior Environmental Engineer

Ph.D., Geophysical Fluid Dynamics

M.S., Mechanical Engineering

B.S., Mechanical Engineering

37 years of experience with NEPA documentation and analysis on projects for federal agencies.

Paul DiPaolo – Environmental Scientist

B.S., Environmental Science and Policy

1 year experience with federal environmental regulation

Robin Griffin – Senior Environmental Scientist
M.S., Environmental Management
B.A., English Composition
15 years of experience with NEPA documentation and analysis on projects for federal agencies.

Jamie Martin-McNaughton – Environmental Scientist
B.S., Geology-Biology
5 years of experience in NEPA documentation and analysis, geological field work, and document production.

Robert A. Naumann – Environmental Scientist
M.S., Environmental Science
B.S., Natural Resources
12 years of experience in NEPA documentation, environmental compliance, wetlands, and forestry.

Julia Norris – Environmental Scientist
B.S., Environmental Conservation
10 years of experience in NEPA documentation, environmental compliance, land management, and conservation.

Cynthia Ong – Environmental Engineer
M.S., Environmental Sciences
B.S., Civil Engineering
8 years of experience in general civil site design work and technical and writing support for DOE NEPA documentation.

Christopher Rua – Environmental Scientist
B.S., Environmental Planning & Design
9 years of experience in environmental compliance, due diligence, and field studies for NEPA projects.

Melissa Sanford – Environmental Scientist
B.S., Meteorology
B.S., Business Management
4 years of project management experience including project coordination, environmental data quality analysis, and technical reports.

Eva Santorini – Graphic Designer
B.A., Fine Art, Painting
18 years of experience in publication production including the design, layout, and production of books and publications, a wide variety of marketing and promotional materials, exhibit display, and public outreach/educational materials and websites.

Stacey Schueler – Environmental Scientist
B.S., Environmental Science
9 years of experience in site remediation, natural resource studies and NEPA documentation.

Deborah Shinkle – GIS Specialist
B.A., Environmental Studies
8 years of experience in data analysis and GIS experience on federal projects.

Rachel M. Spangenberg – Senior Environmental Scientist

B.S., Biology

19 years of experience in the preparation of NEPA documentation and environmental compliance audits.

Debra Walker – Principal Scientist, QA/QC

B.S., Biology

32 years of experience with NEPA documentation and analysis on projects for federal agencies.

Andrea Wilkes – Environmental Engineer

M.A., Science Writing

B.S., Civil and Environmental Engineering

B.S., English Literature

24 years experience in environmental engineering, science writing, and NEPA documentation and analysis on projects for federal agencies.

9.3 TETRA TECH, INC.

Karen Summers – Director and Principal Geologist

M.S., Geology

B.A., Geology

30 years of experience with NEPA documentation and analysis on projects for federal agencies.

9.4 TRC ENVIRONMENTAL CORPORATION

Pietro Catizone, CCM, QEP – Principal Consulting Meteorologist

B.S., Meteorology

Experience managing environmental projects including Prevention of Significant Deterioration (PSD) permits, chemical accident prevention program, air dispersion modeling, and other technical analyses.

Charles Cooper – Deputy Project Manager

B.S., Biology

Graduate Studies, Tropical Field Ecology

39 years of experience in environmental consulting including financial and technical management of over 250 projects.

Ken Cormier – Materials and Waste Coordinator

C.P.D., Environmental Compliance Management

B.S., Geological Sciences

16 years of experience with environmental permitting, investigations, audits, and documentation.

Geoffrey Henry – Senior Architectural Historian

M.A., Architectural History

B.A., Architectural History

28 years of experience in cultural resource management and architectural history.

Tim Sara – Senior Archaeologist

M.A., Anthropology

B.A., Anthropology and Geography

25 years of experience in NEPA documentation and analysis, cultural resources management, and historic preservation planning.
